“ *We wanted to send our condolences to your family. Johanna worked with us at Nelson Harkins and she was a wonderful person. Wish we had known about her passing at that time but just found out. Also, deepest sympathy for your dad as well. Hope you are all doing well.*

*Sincerely,

“ *Mike & Family,
Though we did not know your mother, we know she was an amazing and special person. She could not have been anything less than this for her to have family like you that so lovingly took care of her during her most difficult times. You can tell so much about people by the way they treat their family and we hold you in the highest regard. Our thoughts and prayers are with you. RIP Johanna.
