“ Mr. Andersen was an incredible human being. For much of my youth I felt like he was a second dad. There was always fun anywhere he was, and conversation was always rich. The way he loved his family was second to none. I will hold tenderly all of the fun memories, and continue to thank God that I ever got to know him at all. Our family mourns with the Andersen family and will continue to love and remember him always.
Hugs and prayers galore
