“ *Mr. Shea was an active member in Troop 19. I remember him as a kind and caring man. He was always nice. I only knew Brian from scouts as he and my son Tom(Elmo) were in scouts together. My heartfelt sympathy to Brian and his whole family.*

“ *I flew quite often with Joe out of Seattle. He was one of the most professional, compassionate, pilots I ever had the opportunity work with. He also had a very unique sense of humor that kept a smile on my face the entire trip. He will be missed by all of us who had the opportunity to know him. Rest well on your flight west, my friend.*

“ My heart felt condolences to Joe’s family. I have no doubt his passing will leave a void in your family. I had the honor of working with Joe on countless flights over the last 22 years. He was a kind, humble man and one of the most gentle souls I have ever encountered. My favorite word from Joe was “Fantastic!” He used it freely. I will miss flying with him. Joe, eternal peace be with you and may your final flight be truly “fantastic!”

“ *It was such an honor to get to know Joe over the past year. He was a gentile and kind hearted soul. At CRHP meetings he would always add a thoughtful and faith filled presence. The team feels his loss terribly and are dedicating the upcoming men's weekend in his honor. I personally will miss him and regret that I didn't get to know him sooner. Love and prayers to the family during this most difficult time.*

“ Joe watched over the Cub Scout and Boy Scout programs at St. Mary Immaculate in Plainfield IL. He signed off on all the adult leadership. He also was "da guy" that cleaned and filtered the hot oil after every fish fry with the Knights of Columbus at SMI. He showed up in a suit and changed into coveralls and big rubber gloves looking like a hazards material man. When he moved away, his presence was immediately missed. Father David honored Joe and Linda at mass just before they moved. It seemed like everyone in the church knew them because of their involvement with many SMI ministries.

“ I can truly say that Joe Shea is one of the finest people that I have ever known. As a loving husband, father and friend he is one of the folks who just shows up for others. A man of deep faith, Joe has set a great example of what it means consistently to make a gift of yourself...following the example of Jesus! Grant eternal rest, peace and life to your faithful son, O Lord. And bless and comfort his loving family.
