“ Joshua should still be here with us today. His passing leaves an awful hole for those who truly loved him. He was a special soul with a quick wit, generous heart, and charismatic personality. In his short life, he had such a big impact on others. He championed others efforts to succeed and was a loyal, encouraging friend. I loved him from his first day of life and will never stop loving him! My Joshie, you are in my heart forever! Aunt Julia
