“ *My thoughts and well wishes go out to the surviving family members and friends that are impacted by this.*

June & I first met in high school and I have vivid memories of conversations with her. In each instance she had a big smile on her face and a laugh to go with it. She was friendly and wonderful to be around and we will all miss her very much.

“ Nick, Nate, and Dan:

Our prayers and thoughts are with your loss. Your mom was an amazing woman. Her smile could light up room and she had a way of making everyone feel loved. Cherish your memories of her and know that she loved you and is always going to be with you.

We were blessed to know June. And the eight of us created so many memories over the last 7 years. She will forever be in our hearts.

Dan, we are here for the boys and you. You are family to us and we love the three of you. If you need anything, all you have to do is ask. HUGS to you my friend.

RIP my sweet friend. Thank you for being my pedicure buddy, and for all the other memories we created together. But most of all for being part of my life and making it better. I hope you found the peace your were looking for.

With love,

April, Bob, Jake and Adam
