“ In the short time I came to know you, it was obvious the love you showed for others. I enjoyed what time we had together. No more pain, no more tears, only comfort and peace from our saviour. And as you watch over all your loved ones, know that many but 1 for sure is my love and rock. You raised an amazing grand daughter. Know that she and I miss you daily.

Love

“ Dear June,  
My heart is sad, but a feeling of joy is there also. You see, I know that you are now in the presence of our Lord and Savior Jesus Christ! May his healing light shine upon your beloved Cork and your 4 wonderful children. You were a wonderful woman to so many people, but I feel as though I was the luckiest to have known you. You gave me my wife, your daughter Wanda, who has given me 3 wonderful children and 8 wonderful grandchildren. Without you, none of that would have been possible. I will miss you very much, but will always have a place in my heart for you and I look forward to the day when we will meet again in God's kingdom! I love you!  
Your son-in-law Marc
