“ I am so sorry to see this sad news. My deepest sympathies to Karen's family. You will all be in my prayers. As a Substitute teacher at Thompson school I was always happy when Karen was the aide in the classroom. She was so patient with the students and so helpful to me as the sub. I remember how Karen always spoke so fondly about her grand children. She was so proud of them. My son was in third grade and she was the aide and the class had the best Christmas crafts/gifts. She worked with each of the students to make the gifts so special! I still have them! I will always remember Karen's smile and positive attitude. Again I'm so sorry.
