“ *John, Kathy, Jackie, Michelle, Nicole and families: Aunt Kay is one of the few people I have ever known that was truly beautiful on the inside as well as the outside. I have always been in awe of what a wonderful person she was. She could always bring a smile with her great stories. She definately had a lot of fun. I am going to miss her.*

“ Dear John and family,
We want to send our condolences to your whole family from ours. Although we have not been in touch in recent years, our memories of good times in the early Gurnee days with you both are still fresh in our minds. Our children were lucky to grow up in the small, close community that was Gurnee years ago. What a great time we all had.

We will miss Kay greatly and remember her a warm and loving friend,

“ Growing up with Nicole, I have such wonderful memories at the Myers house and Kay was always the "light" in the house. Beautiful smile and warm heart. Always so welcoming! I'll always remember bringing my own kids to her house on Green Lake. She hugged them as if they were her own grandkids....special lady! My thoughts and prayers go out to the entire family, I am so sorry for your loss.

“ I had the pleasure of meeting Kay for the first time in Australia. Big John Myers was my manager at the Chicago Sun-Times and we were all very lucky to be a part of this wonderful trip. It was easy to see that they were a fun loving couple. I'm so sorry for your loss. My deepest sympathies.

“ Dear John and girls: Please accept my sympathy. I loved Kay and the memories I have of our youth will always be with me. She was a wonderful friend and touched my life in more ways than I can tell you. It seems so many years ago when we were young, but those memories are precious to me and her friendship and the fun, laughter and growing up we did were priceless. I don't know if you know this, but I was the one that first taught her to sew when we roomed together before I got married. She then took classes, but I still remember the first dress she made with me and how proud she was of her skills. I'm so glad I was able to come back to WI and ILL last summer to give her a hug and let her know how much I loved her. Please keep in touch! Love Bev

“ John, Kath, Jackie, Michele, Nicole, and all of your families: All the "Myers East" send you our deepest sympathy and love on the loss of your wonderful and loving wife and Mom. Kay always had a smile to brighten the room, whenever we visited. The love she had for all of you was great, but now she is with the source of all love.
