“ *Never have I met such a beautiful soul - inside and out. So blessed to have had been on the receiving end of that awesome smile! May we all find peace knowing you are free now and are walking beside us. Those invisible angel wings you wore during your life have turned into stunning ones my dear friend now that they decorate your soul! I am expecting to see your face/smile meeting me on the other side! May God embrace your entire family and bring them peace and love and remembrance of all the happy memories! <3*
