I met Kim when her nephew Bob Ingwell and I (Carrie Chapman) got married 11-10-2012. I'm honored and blessed to be part of her family. She touched my heart more than she will ever know. I wish we had shared more time with her and her family. Bob and I will carry her in our hearts forever. We have been touched by a beautiful and precious angel. We will miss you dearly along with the family & friend photos we have enjoyed over the years. Watch over us and give us a sign once in a while that you are still among us.
