“ God truly bless me and my family when he brought Kim and the Trulzsch family into our lives. A true gift from God. They will always be our family.

Kim, there are no words to describe our love for each other and how I feel. Not only did I lose my daughter Lisa...I have lost my very best friend. You will always be in my heart and prayers. Thank you for being an inspiration to everyone. Your treasured words, "Bring out the honey jar" and "Happy thoughts". They will always be a part of my life. You made me a better person. Your strength and wisdom was beyond amazing. Your words were "apples of gold" like scriptures reads. Your love blanketed everyone your met.

Thank you for being wonderful you! You're words will always ring in my heart "I miss you"!

*Love from your California family,
Stella and family*

“ Kim was one of the nicest people and neighbors I have ever known. She was always willing to do things for others and thought of herself last. Even when she had trouble walking, it never stopped her from having a smile on her face and an uplifting spirit. We will miss her greatly.

Respectfully,
Ann, Hardison and Bryan Gross
