“ *Dave,
So sorry to hear of the passing of Larry. I have so many memories of your dad and you with Ryan and me at the hunt club. Larry got me into the Deerpath Hunt Club many years ago and I am thankful for the many good years with the club. Your dad was the club leader and maybe the club founder.*

“ *Dave, so sorry to hear about your Dad!!! I definitely have lots of great memories spending time at your house with you and your parents. They both always made me feel like a part of the family even when we annoyed them with staying up too late, loud car noises, disc gun fights, fish guts or leaving church pews in your driveway, etc. etc.:) I unfortunately have to travel on business this week, so I will not be able to offer condolences in person at the visitation. I wish I could be there, but I hope everything goes smoothly for you.*
