“ Besides our fond memories of Larry's superb garden and gardening skills my wife and I remember how for many years we attempted to out do him. We began by exchanging the same Chia Pet every Christmas to see who could outgrow the other. One year we hid it under his bed so he wouldn't find it until after we had left or the next morning.

Rae, he will be in our prayers as will you Laura and Leonard.

“ Rae I was really saddened to hear of the passing of your husband. You guys had a lot of years together. Remember the funny things, happy times, those special moments. All those great memories Rae. Remember. I will pray for you and your family and may all those wonderful memories be of comfort to all.

With love,

“ I will always remember Larry's laugh. Some of my best memories growing up involved large amounts of family and above all the noise, I could always hear Larry's laughter. He is with his sisters, watching out for us all.
