“ My daughter and Casey (CJ) were inseparable up until the age of 12 when we moved away. Laura was the first one there at my daughter's side when she was hit by a car at the age of 6. My younger daughter and Brenna played together. We were neighbors for 11 years. Laura always made me laugh. This news is so sad and my heart goes out to Brenna and CJ. Praying that the family finds peace and comfort throughout this very tragic time.

“ Laura Casey & I met in 3rd grade @ Ellis School in RLB. She and I shared the exact same birthday, so she was 56. Not 57. As all children that had to share a birthday, we always had a little rivalry. However, she was a lifelong friend & will be sorely missed by all that knew her!!! RIP, my birthday friend! You definitely left too soon!!!
