“ *Dad I don't think you realize how much your really missed! You were more than a father-in-law to me you were more like my Dad! You never let life experiences get you down and always had a positive attitude towards everything you accomplished in your life! You were always kind giving and respected all! I think of you often and miss you lots! Love you, Karen*

“ Although we are apart now
You're always in our hearts,
In every single thing we do,
You play the biggest part.

When we have to make decisions
And we don't know what to do,
Our thoughts, we find
Will go right back to you.

We think of how you'd handle it
And try to work it out,
It's at times like this we'll really miss having you about.

Not only for this reason
When things are going bad,
There's a million different reasons
Why we'll miss you Dad.

Rest in peace

“ I remember Mr Lowry mostly from the Christmas Holidays. He and his wife would come up from MO to celebrate with Larry, Joan and all the kids. Someone would dress up as Santa and give out presents while THEY enjoyed looking around at all the excitement of it all. I think Mr. Lowry enjoyed the Christmas wonderland that Larry and Joan always had.
Prayers to you Mr. Lowry that your wife will be waiting for you.
