“ *I'm shocked and saddened at this tragic news. I worked beside Linda at Reed Hills Florist for several years. She had a wonderful sense humor and I will always remember the intense discussions we had about almost everything! My heart goes out to her family.*

“ There are no words to adequately express how I feel. Linda was a wonderful person. She made my life such fun growing up. She, her mom, brothers and sisters always made me feel so welcome in their home. I loved them all for that.

To her family, thank you for allowing me into your lives and for sharing her with me. I am so very sorry for your loss. She will be missed by every one who was fortunate enough to have known her.

And Linda, "I'll see you again, this is not where we end."
