“ Lisa was my aunt who I absolutely loved growing up. I am feeling bad for my uncle Keith, and my cousins, Kurt, Kendall, and Nick. Along with her grandchildren. She left this world way too early, and I am sending my love and sympathy.

“ *Always smiling, always kind - fond memories of Lisa and all the friends she attracted in high school. Always good to her younger brother who we all adored as well. I am sorry for you Mark, and all the extended family. Terrible loss - I have to go to Washington Weds AM or I would certainly attend. I am sorry for your loss but very happy I had the smiles, the laughs and the joy meeting and knowing Lisa. May God Bless*

“ I’ve had many memories with Lisa as I grew up with Kendall (and the family) and down the street! Lisa was always so kind and caring. I’ll forever miss all her sweet messages and comments she sent my way telling me the things she thought of me. She was always like family. She will be missed forever and my heart hurts for the entire family. Love you all!

“ Our sympathy's to Keith, Kurt, Kendall, and Nick on the loss of your beautiful Wife and Mother. Lisa was always so friendly and cheerful when we visited. I especially will miss our holiday gatherings with her, and her Strawberry pretzel jello she would make by popular demand. Rest in peace Lisa my Co-Grandma. I will watch over the babies for you until we meet again.
Love Maria
