“ I met Lori here at Duck Farm Dog Park with her dog Riggins. I enjoyed her sweet soul, laugh, and she was a pleasure to be around. I am saddened to hear this news. She will be deeply missed! Our dogs loved running with Riggins because he would get the whole dog park riled up. My heart and prayers go out to the family during this difficult time.

“ Aunt Lori was always a bright light at any family gathering we had. Lori had a laugh that would make you want to do what you could to hear it again. She was a loving mother and was a great support for me when I lost my own mom. I am thankful for the times we had together. They were never dull and full of love and laughter. You will be deeply missed.
