“ I am greatly saddened to hear about Lynn. I am a neighbor for over 20 years and often saw her outside when she walked her dog. I just saw her recently and we spoke about her ongoing treatment as I am also a cancer survivor. She was such a nice lady. Cannot believe she is gone. I am so sorry for your loss. Sue F.

“ My dear friend, my walking companion, and my doggy-momma buddy. My heart is broken. I will miss you and your exuberant greeting of Stella every day, with Lulu playing interference. We spent many hours talking about everything and nothing, but all adding to the bond of our friendship. Rest in peace dear lady. You left us all way too soon.
With love, Sue Matlow

“ My family and I are deeply saddened by Ms. Lynn’s passing. She was the nicest neighbor you could ask for. Ms. Lynn would always stop by and let our little girls pet her beloved Lulu and have some nice funny interactions and conversations with them.
My fondest memory is a few years back when the girls were about 3 and 6 years old and she would play catch with them and one time ran around the backyards of our neighborhood and up a little hill and rolled down in the grass with the girls!! They all laughed and had so much fun.
We cannot imagine our little neighborhood without Ms. Lynn. She will be truly missed! We will keep her and her Family in our prayers. The Fosters

“ One fond memory of my girlfriend, is of Lynn taking me with her to shop at Nordstrom's in Oakbrook before there was a store closer to us. We had such a good time trying on clothes and laughing and sharing....and buying! It was an afternoon of fun.

“ *Lynn was my godmother and really she was a second mother to me. I could always count on her for a shoulder to cry on or an ear to listen. One of my fondest memories of Lynn is when I was about five years old, her I were doing the hokey pokey in her living room or when I was helping her make her famous chocolate chip cookies and she let me eat brown sugar right out of the bag. There is a huge void in my life without her and she will be deeply missed. I love you, Lynn.*

“ *I am beyond saddened to hear about this. We met years ago because of our dogs. Lulu was my Harley's girlfriend and we always laughed how they would run to each other and kiss. I will always remember Lynn as the sweetest lady and I always looked forward to seeing her. I will keep you all in my prayers.*
