Maria Luisa Padilla Hernandez, 62 of Round Lake Beach passed away on Thursday August 19, 2021. She was born in Cuernavaca, Mexico on June 12, 1959 to Angela Hernandez Villaseñor and the late Juan Padilla Butanda. She was a graduate of Preparatoria Diurna #1 in 1979 and boldly moved to the United States in her late teenage years where she flourished. Maria Luisa moved to the Round Lake area after both of her sons graduated high school. She received her CNA license shortly after moving to Round Lake. She used her skills to become a compassionate caregiver and friend to her patients at an assisted living care facility for the elderly. In January 2016, Maria Luisa celebrated receiving her American citizenship after living in the United States for many years! Her sense of humor and teasing would make everyone laugh, she enjoyed watching any movie that featured dogs or Clint Eastwood, adored music, created a serene paradise with her outdoor garden and indoor jungle, traveling around the United States with her children when they were young, hosting parties with the best homemade pozole and flan in her home that brought the family together. She enjoyed spending time relaxing with her big, sweet rescue pitbulls that she liked to dress up. She was a ray of sunshine and would recharge during Chicago winters for a few weeks in Mexico, visiting

her family every year that she could. Maria Luisa was an exceptional mother, one like the world has never known, whose thoughtfulness and love was profoundly deep; she radiated pride for her sons and adored spending time together with them, her siblings, and their families.

Maria Luisa is preceded in death by her father.

She is survived by her sons Edgar (Anna) Romo and Christian Romo; mother Angela Hernandez Villasenor; sister Guadalupe (Martin) Maldonado; sister Aida Padilla; brother Manuel Padilla; brother Ruben Padilla Hernandez; brother Juan Padilla; brother Antonio Padilla; and brother M. Angel Padilla. She is an aunt and great-aunt to many nieces and nephews who she always treated as if they were her own children.
