“ There's one thing in life we all must share and unfortunately this is it. Your Mom, my Aunt, was a person who was always there for family. Though miles apart we spent less time together over the years but when my Mom passed your Mom, and all my Aunts, were there for us physically and emotionally. I will never forget that. Family was always very important to her and you can see that same feeling in her family as well.

I'm sorry we can't be there but please know our thoughts and prayers are always with you.

I love this hymn for this so here it is

*And He will raise you up on eagles' wings
Bear you on the breath of dawn
Make you to shine like the sun
And hold you in the palm of His Hand*

*Love you
Peace be with you all

“ What a amazing woman, mother, wife and golfer. There can only be one-she was a gem which we all adored.

*There are no words to take away the pain.
May the fond memories of Queen M surround you like a warm blanket and give you the solace you need now going forward at this time.*

Just remember that, when you see your next rainbow it is her signal to you that she is okay and watching down upon you. If you are lucky enough to view a double rainbow, then dad aka Uncle Wally is winking down at you too.

Here is a little Irish blessing for you-

Death leaves a heartache no one can heal; Love leaves a memory no one can steal.

May God grant you always... A sunbeam to warm you, A moonbeam to charm you, A sheltering angel, so nothing can harm you

Please know our thoughts and prayers are with you always- Chris & Roxy Minnesota

“Mickie brought fun and laughter to every gathering especially on the course with the Spring Valley Swingers! She was fun and a great travel companion. We spent many trips together to Boston, New York City and Florida as well as “green feather” cruises to points beyond. She loved her family and her friends. Rest In Peace Mickie. You will be in our hearts forever. Sandy Lincoln
