“ *My father, Leonard Mattson, considered Bob a dear friend. Bob attended my father's 90th birthday party last December, and Leonard was so thrilled to have Bob there. Bob was my Dad's oldest friend, as they attended University of Illinois together. As a family, we are grateful to Bob and Betty for the sweet memories they shared with my Dad and both of his late wives, Vi and Phyllis. We are truly sorry for your loss.*

*With Love,*

“ *Met Bob in 1966, along with his brother and dad when working at Lake County Savings & Loan. Then over the years our paths crossed many, many times - performing at the Swedish Glee Club, the Shanty in Wadsworth - such fun memories! Unfortunately, the last time I saw him was at your uncle's visitation. Also, knew his Uncle John - through the delivery of 2 of my children. What a wonderful family! Your dad was one of the best I have known.*

“ I went to school with Judy, my wife Ann (Jermolowicz) went to school with Cindy. I started at Lakeland between my freshman and sophomore year of high school. I learned what it took to physically produce a newspaper. Started out bundling and bagging the papers for delivery, moving to type-setting, page-setting, press loading, and running the presses for the weekly newspapers. Bob was always there as a mentor and guidance. I then went on to become a free-lance photographer for Lakeland doing mostly sports and political assignments. Many fond memories. A great family to work for. Bob, RIP.

Our condolences.

“ Bob was my mentor at Lakeland Publishers in Grayslake. He took this snot-nosed, nineteen-year-old under his wing and taught me the business. He showed me how everything there was to know about the newspaper operations. His father, Marshall and his brother Bill kept me aimed at our community with newspapers filled with news and ads. They trusted in me. I worked hard for them. My thanks to Bob...Bill, Marshall and all of the Schroeder Family for being there for me...way back in 1958.

“ *Dad, you've helped me, supported me with everything I endured. You inspired me musically, and when I was sick, you were there every step of the way. You've been suffering for a long time, and now you're free from pain. God has called you home and I will miss you deeply. You may be gone but not forgotten. Until we meet again. R.I.P. Daddy. Your loving daughter Susan Jeanne (Schroeder) Davis*
