“ I feel so very blessed to have known your mom my entire life. As I look at all of the grand-children, I see that she passed on her love, kindness, strength and humor. What a wonderful family you all have. I have lots of memories, but my favorite thing is just the way she would say "Hi Kitten!" with the most sincere, sweet voice that always made me feel special, just as your dad always did. I hope it helps you all to know they are back together, forever in love and at peace. Hold each other tight. Love to all, Kitten and family
