“ *Our condolences to Mike's family. We were his neighbors at the far end opposite from his house. We didn't know him well, but every time we did see him either coming or going he'd always wave and had a smile on his face. May he rest in Peace.*

“ I don't know what to say. I met Mike in grade school. Grew up a street away. We hung out a lot together growing up. From bending trees to breaking ice, from waking up a street away to Mike starting the old Suburban with no muffler and a sock in the gas tank to Mike throwing pitches at Softball City. The annual Bears games with Mike, Dave and Kurt were always memorable because Mike made them that way. Our Fantasy Football leagues were always interesting because you never knew how much Mike was going to spend on some obscure player! Mike was always there. He was a good friend and an even better person. He was one of the truly good guys. Although he is in a better place now, he will always live on through my memories. Miss you, buddy!

We all grew up together....TONS of memories.....with Mike and his entire family and the entire subdivision. Not sure what else to say..i was shocked when I heard. Rest In Peace Mike Lary! “ I'd know Mike since I'd started at Hewitt Assoc. in 1994. He was the kindest most pleasant person you'd ever want to meet. He always was wearing a smile. So many who knew him through Hewitt and now Aon remember him fondly. He is going to be greatly missed. I should've called him a couple of weeks back when I thought about it to let him know I was back working at Aon/Hewitt but I never did. Thank you Mike for all those morning greeting me with that big smile.

“ My condolences to Mike's family. I met Mike in 1996 at work. We worked together for another 16 years.Over all of our 100's of lunches, I will miss our talks on politics, fantasy football, family and work. He was a great guy that I could also count as a friend and I will miss him.
