" For Diane,  
Time passes at the speed of light  
I cannot slow its pace  
Too soon I'll sleep and see no more  
The exquisite beauty of your face  
T'was some fate of chance we even met  
But so important it was to me  
I found in you my friend for life  
and your friend I'll always be  
As age has dimmed my vision  
and my senses slow and dull  
Your picture in my mind is clear  
and my love is ever strong and full  
We'll some day part, to soon for me  
and the other to go alone  
I'm happy in the certain truth  
We'll always be as one"
