“ *Im so sad to hear of Patricia’s passing. I spoke with her frequently through my job, and she was one of my favorites!! She was so sharp, and on top of things, and she wanted to speak to someone who would give her clear instructions and answers, and so we agreed I would be her point of contact. I worked there 9 years and spoke to her VERY often. I admired her diligence, and enjoyed our conversations every time we spoke. Rest in peace, Pat. ❤️ Your nurse, Sara*
