“ *My thoughts and prayers are with all of you. She was teacher to a couple of my children, and although they always did agree with her, they really did like her. I liked her very much and respected her not only as a teacher, but just as a nice lady. I'd see her at church from time to time, and after mass, we would stand out in the parking lot and talk and reminisce about days gone by. I will miss those times. May God grant her eternal peace and happiness in heaven.*

“ *Prayers of peace to the Hay family... Mrs. Hay was an outstanding teacher. One of the best (and most frightening) memories I had as a child was in her class when the kids from LVI came to promote the haunted house. We were in reading circle and I was having trouble with my Ys. Well, they scared the Ys out of me that day! Thank you, Mrs. Hay, for being such a blessing to so many students!*

“ *My daughter, and youngest child, is in first grade this year. I've thought fondly about Mrs. Hay many times as I've watched my daughter learn to read and write and remembered how much I enjoyed first grade (35 years ago). My thoughts and prayers go out to your family as you mourn the passing of a dedicated teacher who favorably touched so many lives.*

“ *To Pat's Family,*

*I will always remember Pat as an excellent and caring educator. As a Lake Villa colleague, she was always friendly and welcomed me into her classroom to work with students. Students I had at the middle school often remembered being in her class with fondness. She contributed much to the education and nurturing of many, many students.*

*This is a great sadness for your family - my sympathies go out to all of you.*

*Sincerely,
