“ Patricia was my dear friend from our Xerox days! We shared so many good times together going to see plays, movies, concerts, going to the Bulls games, going to Super Bowls parties, jewelry shows, Galestreet, Chicago street fairs, antique shopping, going on trips to Jackson Hole, Wyoming, Montana, Las Vegas, our fun times at the Wisconsin State Fair waiting in line for those infamous cream puffs. She always like to go through the arts & crafts building where the quilts were on display! Pat was a diehard Cubs fan! Had quite the collection of Cubby bears on her desk at Xerox. She loved her collection of vintage blue glass displayed on her home window sills. It can go on & on reminiscing. Bottom line, Pat was a very dear & loyal friend & I will sorely miss our frequent phone conversations & her quick wit! Rest in peace, Patricia 🍀🙏💔 You'll always be in my heart!

*Pat was a dear friend from Xerox days! So many memories and one of my first memories of Pat is (as Gail mentioned) being shown Pat's collection of Cubby bears on probably my first day at Xerox in DesPlaines while on the tour of the "Region" meeting everyone. From that day on, our friendship grew....she was a loyal, faithful, fun friend and even though I moved to CA, our friendship didn't stop. She came to visit in CA, we met in Las Vegas and we did training trips to Leesburg, VA to the Xerox Training Center. I miss Pat and am thankful for our friendship even though I hadn't seen her for quite awhile. We would always pick up where we left off when talking.  
Praying for peace and comfort for Craig, Chris and the family. I have fond memories of my friend Pat.
