“ I and my siblings, Carol, Suzie, Deena, Myrna, Will, Joe and Rayme Vandergrift grew up with Patti and her sisters Linda and Betty. Our parents were close friends. Patti and I were always together in those days, playing Barbies... riding bikes... sleepovers. We use to dance on the bed and sing to many of our favorite songs... "Little Old Lady from Pasadena" so reminds me of carefree times in our childhood together. Our favorite show was "The Man From Uncle"... her boyfriend was Ilia Curiokin and mine was Napoleon Solo. I loved her... she is with my Mom.
