“ *PJ and I met in 1982 when we both started working at AIH in Zion together. Was to be the beginning of a long and glorious friendship. We celebrated birthdays together (only days apart and in the same year) we shared wedding anniversary news (married the same year) and I delighted in her joy and news of becoming first a mother, then a grandmother. Those were her most precious thoughts when we met for lunch regularly,
She endured many trials in her all too short life, but met them with determination and a smile and always put others needs ahead of hers, She gave freely of her time, her skills and her love. She will be immensely missed. She was truly the "Wind Beneath My Wings"*

“ If you wanted to see Patti's soul, all you had to do was see her smile. And believe me, she smiled all the time. She was truly a gift to our whole family . People like her are one in a million. She thought of others before herself and helped anyone who needed it with a joyful heart. I believe God keeps his angels close to him when their work is finished here. Please keep smiling Patti until we see you again. Tell our heavenly family we miss them and pray for all of us until we see God's kingdom. And maybe you can tell my Bob I love and miss a him every day.

“ Dearest Chico and Family, sending prayers & love to all. PJ was a wonderful, special lady with a heart of gold. She always gave love and kindness no matter how busy she was. She was there for me and especially for Gram Radke. PJ and Chico always would visit gram, take her to church, out for breakfast, could go on and on. She definitely was a family person which I admired. We will miss her smiling face and love she gave to everyone. God Bless you dear, beautiful PJ. You will never be forgotten, will be in our heart forever, ever. Penny and George

Against such things there is no law.” (Galatians 5:22-23, NIV) Our sweet Patti embodied all these attributes and then some. All you have to do to know and love Patti is to see her smile. And boy did she have a beautiful smile. It reflected her whole soul. Patti was the best person to have in our family. It really was just in her soul to be kind to everyone and she gave her time and effort to help anyone out. When she loved you it was that smile that showed it. Your family will always love and cherish your memories and tell everyone in our heavenly family that we hope to see all of you when God calls us home. Love, Linda and Eric Judge.
