

Paul Johnson

October 6, 1959 - September 26, 2023

Paul R. Johnson, 63, passed away on Tuesday, September 26, 2023.

Paul was the president of his home as well as the President of the Clublands HOA for many years and also served on various board positions. He was proud of his community and happy to volunteer his time to make his neighborhood a great place to live. He was also a dedicated employee of Wintrust Financial Corporation working in Compliance.

Paul loved the fall weather, apple picking, and warm cider donuts. He was a proud father and could often be found cheering for his sons at cross country meets. Always an over explainer, he had a dry humor and enjoyed telling stories about his first job at the leather shop. Paul enjoyed gas station donuts, Starbucks, hamburgers, and midnight snacks. He was obsessed with finding dimes and other loose change and enjoyed Elton John and yard work. Paul was very detail oriented and very well organized. Above all, he was a dedicated husband, father, son, and friend.

Paul is survived by his wife Carolyn, sons Andrew and Ryan, mother Judith, and by his siblings Wendy (late Richard) Piepho and Scott (Tanya) Johnson.

He was preceded in death by his father Jared.

Memorial visitation will be 3 - 6 p.m. on Monday, October 2, 2023 at Ringa Funeral Home in Lake Villa. A memorial service will begin at 6 p.m. on Monday at the funeral home. In lieu of flowers, please consider a contribution in Paul's memory to the charity of your choice.

“ I was so sad to hear about Paul. We both started our careers at Barrington Bank around the same time then to Wintrust. Paul was one of the kindest people I've ever met. He did everything for everyone. I remember him shoveling snow, to changing light bulbs to balancing accounts, always with a smile. He adored his family. He will be missed by many. God Bless you Paul.

“ I worked with Paul at Wintrust. When I started in 2011 he was always so helpful when I was looking for something or didn't know where things were. Once in Rosemont we would see each other in the kitchen and talk about everything! He was just such a great guy and will be missed!

Jennifer Reykjalin - October 04, 2023 at 11:39 AM

Thank you so much for sharing. It means a lot to the boys and I.

“ I met Paul through our boys in scouting and religious education. What a fun, life-loving, helpful, genuine and compassionate soul. Loved his humor. He was happy to share knowledge with the boys in scouting when it was a subject he was passionate about and always brought a smile and willingness to help or learn something new. I don't believe he ever met a stranger. He will be missed.

“ *My deepest condolences to all of Paul's family and friends. I worked with Paul at Wintrust and I don't know that I have ever met someone who was always willing to give his time to teach us and share his knowledge whenever asked. I loved his dry wit and will always appreciate his kindness and all the time spent with my team and me. I learned a lot from Paul and will always be thankful for getting to know him.*

“ *Paul was one of the best neighbors and friends you could have. Always one to offer a helping hand, a quick wit or a lend of tools. We'd often compete on who would be out snowblowing the sidewalks early in the morning after a snow storm. He almost always won. He'll be missed.*

“ Condolences to the family from Jordan Schaefer at Foster Premier. He was so proud of his sons and his wife. Paul was a friend and mentor. He was always such an amazing force for good in the community. I am deeply saddened by his loss but I think we all are lucky to have many, many great memories with Paul. Most of my memories are sitting next to him during Board meetings. He always had so many notes and papers. More than me! I told him he should write a book about his experiences at the Association with all the documents and history he had knowledge of at Clublands. He said "Yeah but who would want to read that book?"

Paul recommended me to other Associations and spoke highly of me to my boss. He gave me advice on how to approach challenging problems and taught me patience and the value of kindness in working with the community. I am a better manager and person for having known Paul. I only wish I had had the chance to tell him that. I hope he knew.
