

Paul Neil Tousignant

December 23, 1948 - October 1, 2023

Paul N. Tousignant, 74, of Antioch, Illinois, and Flora, Illinois, passed away on Sunday, October 1, 2023, in his daughter's home surrounded by family. Paul was born on December 23, 1948, in Park Ridge, IL to Clement and Marion Tousignant.

Paul was devoted to the love of his life Betty (nee Jones). The couple recently celebrated their 50th wedding anniversary.

Paul was a disabled Vietnam veteran who enjoyed life to the fullest. He was an award-winning sailor, avid golfer, boater, and motorcyclist. Paul's unwavering patience and mechanical aptitude made him not only a great "Mr. Fix-It" for his household, friends, and family, but also a great teacher whose lessons will live on for generations. After retiring from several decades of service at Lucent Technologies, Paul and Betty spent some time in southern Florida before returning to be closer to family and to participate in their grandchildren growing up.

Paul is survived by his wife, Betty Tousignant, their two daughters, Tracy (Don) Decker of Salem, Wis., and Meagan (Tim) Puhl of Pleasant Prairie, Wis., his brother, Lee Tousignant, his beloved grandchildren, McKenna, Miranda, and Dillon, and many loving nephews and nieces; cousins; and dear friends.

In addition to his parents, he was preceded in death by his sister Lynn Tousignant and brother Kenny Tousignant.

The family would like to thank the many teams at Aurora Healthcare and Hospice for the devoted care they had provided the family.

The family will be holding a celebration of life at a later date.

“ Our thoughts and prayers for Betty and the family from Tim and Francie Turner. Tim and Paul met while both were in Vietnam. After all those years, it was in the year 2000 that we located Paul and Betty. Both Paul and Betty came to visit us in Georgia. It was an awesome visit. Both Tim and Paul were able to catch up on their lives and Francie found an awesome friend in Betty. Love to the family

“ *My heart goes out to you all. I'm so sorry for your loss. In 1968 I met Joyce Tousigmant while pushing our baby buggys in the neighborhood. We became best friends, so when she got word that Paul was injured in Vietnam she called me and we talked and prayed, and cried, for him well into the night. I was invited to the many parties she had and became good friends with Betty. My husband "Woz" and I had a lot of good times and good memories with the Tousignant family. Love to you all. I'm so sorry for your loss. Hugs to Betty.*
