“ *Marcus and I went to high school and Michigan State together. I was unable to come to their wedding because I didn't have the money to travel. When I saw their wedding photos my first reaction was, "I had never seen a couple look more alike and just right together in my life." Then when the girls were born and Marcus would send family photos it always struck me how wonderful they all looked together. I am so sorry for your loss. I'm looking at her picture that you have posted on the site, wow, what a beautiful woman. My prayer is that you will be able to take comfort in happy memories and gather strength from each other when it's needed. May the lord be with you.*
