“ *Marilyn, Karla and Family: Our family was deeply saddened when we learned Pete had passed. You all are in our thoughts and prayers and have our deepest condolence. Even though we realize there are no words that will take away the pain in your heart right now, please know we are here for you and we will greatly miss the laughter and good times we shared with our neighbor and friend. Our thoughts and prayers will continue to be with you along with a reminder that GOD said, “Do not let your heart be troubled and do not be afraid”. –John 14:27*
