“ Dear Comiskey Family -

I am so sorry to hear about Rich. I had the pleasure of working side-by-side with him for several years. He had the uncanny ability to explain to me complex financial details in everyday language. I specifically "recruited" Rich, because he was simply the smartest financial person at ACCO. He reluctantly agreed, and I couldn't ask for a better person to work with. He was a gentleman, highly intelligent, with a great sense of humor. He loved his family more than anything and was very proud of all of you. He was very well-liked and respected by his co-workers and the folks he managed there.

Rest peacefully my friend Rich...

“ Dear Comiskey Family,

I have so many fond memories of Rich over the years. From the education on classic movies and his massive DVD collection to the exploration of fine rugs and a chance to experience the infamous "Comiskey Dragon" from one of his favorite restaurants. It was a pleasure to have known and worked with him. Please accept my deepest condolences and my thoughts and prayers are with you.
