“ Robyn, RJ and Andrew,

*We are so sorry to hear of Bob's passing. Our thoughts and prayers are with your family at this time. I will never forget the Colorado train trip out west with your Dad and Tom as the chaperones for our 'crew'. Thank God Tom and your dad were there as who knows what kind of trouble we would have gotten ourselves into! This along with many fond memories of spending time at the lake house, falling out of your sailboat and time spent on the ice boat are all highlights for me and your dad was always there. That really says something about what kind of man he was. Always there for his family and I hope I will one day be remembered that way as well. He will surely be missed.*

*Much love,*
