“ I love you dad and I will forever miss you

*I love you so much dad
I don't want you to go
All you have done is make me glad
And I want you to know*

*Even tho you don't have much time
I don't want you to leave
Let's live through our memories with rhymes
And I'm thankful for all the love I have received*

*Remember my birthday
When all that happened was that we got cake on our faces
I didn't obey
You were both probably mad but also felt gracious*

*I can remember like it was yesterday
We went to the sandbar
You built a sand castle with mom with an archway
And I ran by and made it a splash bar*

*Hopefully you will watch over us
And see what we have achieved
I remember you walking us to the school bus
And hugging you after we have leaved*

*You and mommy are the reason I'm curled
Me and Sarah are your legacy,offspring
You are 1 third of my world
And 1 third of my everything*

*You are now finally gone
You aren't in pain
I'll take care of Sarah and mom
And my undying love for you will stay the same*

*I'll make sure I'll get a good job
And I'll make sure Sarah doesn't go on path that's bad
We will all miss rob
But we'll meet again someday, I love you dad*
