“ *Dear Marian and family, we are so sorry for your loss. Words do not convey the spirit of our friend Roger, who was a kind hearted soul and fun to be with. He made us all feel young when we were trying not to think about getting older. Rest in peace big Rog.*

“ *Marian and family please except my condolences for your lost. as you know I have known 'BIG ROG' for many years, worked with him through the Lindenhurst Men's Club where he was very active and generous with his time. Rog was always ready to lend a hand to anyone needing help with anything.*

I will miss our frequent , friendly and lively debates at our favorite watering hole, it never mattered who right or wrong, it was the banter that was important.

Carter is going to miss sitting across from Uncle Rogie in that green chair playing Battleships - waiting intensely for his next move. After the game, Rog would say "Carter get the Oreeeeeos!" and boy did that make Carter smile. I am going to miss watching them!

I can't beleive he's not here with us anymore, but he is in our hearts, memories, and shared stories forever.

*Love you Uncle Rog,
Jennifer*
