“ Roland was a very good neighbor, watching out for us and our house after we moved in. I always enjoyed our conversations about things we had in common. He will be greatly missed. P.S. I have come to the realization that now that he is gone, I am now the crazy, old man across the street! --- Mike (and Kathy).

“ Dear Mr. Waspi; I never had the opportunity to meet you in person, but feel I have known you for years. My Niece-Ember Berns-always spoke so highly of you when she shared the stories of the adventures that you two had. I've heard about your trips to the VA hospital, fishing escapades, your love of Sonic Drive-in, and so much more. I bet her Great Nana was waiting for you, and the two of you have got Heaven Rockin'. I believe that your influence had a great deal to do with her realization she is a fantastic person in her own right and does not have to put up with BS from anyone. Thank you for taking care of her as she worked with you. I am so happy you are out of pain and no more treatments or medicines--and able to enjoy your beer & food. target practice etc. Very special Positive Vibes go out to all who knew you. Yes, there is a void in their lives because you are gone. But that has to be replaced with laughter of life experiences. Rest in Peace for your Earthly job is done. But your positive influence you had on people will live on for eternity.

Sincerely,

Jeanni Tiedje

Proud Aunt of your Caregiver, Ember Berns
