“ *My condolences to the entire family. Some may remember me some may not. I've known Ron since kindergarten and we have had about 48 years to make a lot of wonderful memories. He was a GREAT son, brother, father, uncle and above all he was the biggest hearted man I have ever known. He truly was my best friend....the miles between us never changed that. My heart goes out to all who knew and loved him. I know my life will be forever changed without him. Prayers and love to all.
Ron I will love and miss you til we meet again*
