

Sam Battaglia

October 10, 1939 - July 27, 2024

Samuel A Battaglia, loving husband to Beverly and proud father of three children, son Daniel and daughters Lauren and Annmarie, passed peacefully at Condell Hospital on Saturday, July 27, 2024, at 10:44 PM.

He was many things to many people. A loving spouse and partner to Beverly for 57 years. A supportive and encouraging father to his children and a proud grandfather. A good friend, always willing to discuss hot topics or brainstorm grand solutions. A student of life! Always learning, always seeking, always experimenting (and sometimes falling asleep in front of the TV). An education enthusiast who recently completed his Associate Degree in Aviation maintenance technology at Rock Valley College. He used those skills to start a new business at the age of 83 (by the way, dean's list every semester!). A pilot and member of EAA chapter 414, realizing his lifelong dream to own his own plane in 2021. A collector...of a lot...just take a peek into "Garage Mahal"! The list goes on and on...

As we find comfort in the endless memories and heal through sharing them, we ask that you honor his love for life and go live your best one!

In lieu of flowers please consider a donation to the Rock Valley College Aviation Maintenance Technology program (see link below) or a charity of your choice.

“ My condolences to Sam’s family.

I will miss my friend. I will miss his wry smile and his “how’s tricks” when we met up. I am thankful to have known him and my life was just a bit brighter with him in it.

The picture is of Sam with my 120 a few years back. Sam had just done a hop with me when I was still a pretty new pilot acting as a voice of experience and confidence to bolster me as I got used to my plane.
