“ Shirley was like an aunt to me. Her and my mother grew up together then my sisters and I grew up with her children. I will miss her a lot. She was always such a sweet soul. My condolences to the family.

“ I'm reflecting upon my lovely Aunt Shirley. She had an outgoing friendly personality. No one was a stranger to her. She was fun and a little mischievous! Love for others came easily to her. Some of my most cherished childhood memories included her and her family. Her many visits to see her Indiana family were always an exciting time! She loved Big Red pop and took cases back with her to Illinois because at that time it was not available there. We all loved her and her family so much. Later in my life I moved to Illinois and met my husband Randy. She babysat and loved our son Nicholas. He and she had a special bond and he still talks about his time with her to this day. I will never forget the sound of her laugh, her joy of dancing and how she was always ready for a fun time. In recent years we have lost many family members. I imagine her in heaven happily laughing and dancing celebrating with them all! I love you Aunt Shirley and feeling so grateful I had you in my life. Sharon, Paula, Lisa, and Paul will always have a special place in my heart ❤️. I will be praying for them and Jim during this difficult time.
