“ Stan was someone who was highly educated and motivated to continue to learn and share his knowledge. I used to go talk to him in the office and he would teach me about business and life. When I saw him in the hallway he always said he was living the dream. Rather than "I don't know" he would say "I'm not sure how to articulate that" I feel this way now. I will miss him dearly and send my condolences to the family and deepest sympathies.

“ I am very sorry to hear of Stan's passing. He fought the battle as hard as he could but now he is at peace. I have fond memories of his smile, humor and so many opportune times at work when we collaborated together to figure out a project plan. His ability to have a vision and lay out the plan to get it to work was amazing! He was fun, solemn at times, and a good friend. I will be praying for you and your family. It's a great loss for us but heaven's gain...
