“ Our thoughts are with the Beyer family at this time. We didn't know Steve well, but even our short visits showed us what a sweet guy he was - always a gentleman. Rest in peace, Steve. You've gone ahead, and will not be forgotten. Kathy & Fred Eber

“ One day a limousine was dropping off our neighbors (after returning from vacation) and as the limo was leaving my dad stopped the driver to ask him if he would pick up his granddaughter at preschool. The man agreed and I rode with dad to Red Balloon Nursery School in Lake Villa. I waited outside as dad went inside to get Katelyn. Katelyn had to be about around 2 years old at the time. Dad sat right next to Katelyn on one side (with his arm around her) and I sat across from them. Dad was so proud of Katelyn & he loved her so much! The next day as I was dropping Katelyn off at preschool, the employees gathered around to comment on the limo that had picked up Katelyn. They were wondering why a limo was pulling into the parking lot & they were astonished by my dad's generosity. But to those of you who knew my dad, it wouldn't surprise you by his acts of kindness. Dad was an amazing father but even more amazing grandpa. He always went above & beyond for Katelyn & Cole. They were his pride & joy! I hope my kids always remember what a blessing it was to have dad as their Grandpa!!

“ Brandy, Jesse and Vicki, I am so sorry for your loss! Our hearts and prayers are with you and all the people that loved him over his life. He always seemed a man of few words, but it seems he was also someone that brought great joy and happiness as well. I know over the years many people cared for him and I have no doubt he appreciated each person. It isn't easy to watch and care for the people we love when they aren't the same as they were. I know it was very heavy on your hearts and I know he would want you to remember him for the times before, when he made you laugh and was his true self. In heaven he isn't limited by his body any more and he would want you to think of him that way, unlimited, fixing God's cars or something he'd love doing!

“ One day I was backing out of the driveway in my car and I accidentally knocked over the neighbor's mailbox (I never was a very good driver). I pulled back into the driveway and ran into the house to tell my dad what had happened. He calmly picked up the phone and called the township to report the car that was speeding down the road and knocked over the mailbox. The township boys arrived shortly to fix the mailbox. My dad always covered my butt, no matter what kind of trouble I was in! He never failed me and he always loved me unconditionally! I have seen my dad do so much for so many people throughout my life and yet he never expected anything in return. My dad was a noble man, with more love and compassion than most of us will ever have! It was truly an honor to have had Steven Beyer as my dad! I will always be his "little girl" and he will forever be in my heart!
