“ *I am saddened that I just found out about Steven's passing. We stayed in touch every year at Christmas and sometimes at other times. We were organ playing buddies, he helped me pass Home Ec in High School and we had so many laughs about everything. He started out as a neighbor kid and became a life-long friend. My sympathy to his mom and sister and to the Keisler family. I will always remember Steven and always treasure our time together.*

*He fondly called me "Goat" because I had goats.*

*Sincerely,

“ *Dear Aunt Jeannette and cousin Jeanine, we are so sorry to hear of Steven's passing, our thoughts and prayers are your whole family at this very sad time. Unfortunately I won't be able to attend the Memorial service tomorrow as I am out of town and can't make it back in time, but I will be thinking of and remembering Steven and the many good years that he enjoyed. I used to enjoy listening to him play the organ when he would stop at my mothers, he really was talented. R.I.P. Steven you will be missed.*

“ My deep sympathy and prayers to go out to Steve's family and friends. I knew Steve during my high school years and I'm not sure I even remember how we connected. I knew him as a fellow organist at St. Peter's in Antioch, but go to know him and his incredible musical talent when he would often stop by our house to chat and play for us on the Gulbransen organ I received from my parents on my 16th birthday. My favorite piece was "Flight of the Bumblebee." I never knew anyone who could play like that and all from memory. I'm wondering now if I knew him first in French class when I was a freshman at ACHS - the language was dropped the following year - but he also helped me with my French and would often pass me notes with various conjugations and phrases at church. I am very saddened to learn of his passing. May God bless you and give you peace as you celebrate his life.

“ My deepest condolences to the family on the loss of your loved one. When we lose someone we love in death, the pain, grief, and feelings of helplessness can seem unbearable. But remember that the Almighty God sees your tears, he feels your pain, and he will continue with you to comfort and sustain you through this difficult time. Because he cares for you (1 Peter 5:7).

“ Steve was always so gracious and helpful when ever I needed an accompanist. He was a fine organist and a very kind man. God give him eternal rest.
