“ *Susie is my closest sister, now and in eternity. She literally prayed me into a right relationship with the Lord. It will be a star in her crown for all the prayers she sent to heaven for me. She has a great sense of humor, a spirit of humility and a fierce love of her family. We will all be together at the great banquet table with our Lord and Savior presiding. What a day that will be. Amazing grace. My brother, Gary Burlingame, and I could not love anyone more. Life is but a vapor and we will see you again on that great and glorious day, Susie. Nancy Hensler*

“ *Susan o'Neil was my closest friend and neighbour, I loved her like a sister. We moved into the same street within months of one another. Our children grew up together and remain good friends till this day. Susan attended Bible study at my home for about 20 years and was a wonderful Christian lady. I will miss you dear friend but I know you are with our LORD, Cole, Casey and my George. Till we meet again, yours in CHRIST, Carolyn*
