“ Terry was always a tremendous help in all the different requests we had in the Art dept. at VHHS. He was a special part of the Cougar family and will be sorely missed. My thoughts and prayers go out to his loved ones.

“ I was a PE teacher at Libertyville High School and then spent my last three years at Vernon Hills High School. Being in PE, it was important that we work side by side with the custodial staff. Terry was very easy to work with, good-natured and a hard worker. It was obvious that he cared about the students and staff...although very quiet, he always had a smile on his face. I am saddened to hear of his passing. He will be missed. Lezli Hughes (retired 2003)

“ Terry was a good, kind man, who cared so much for the people in his life. I'm so glad he and Loray found each other. May happy memories replace the sorrow you and your family feel right now. He would love that.

“ Terry was a kind and gracious man, who was always willing to go above and beyond for me at VHHS. Whether I would ask him to unlock my door because I forgot my keys or to move boxes or desks, he would always respond with a smile and kind word. When I he saw or heard I needed things done that weren't in his area, Terry made sure that they were tended to. I was so happy when Terry was back for a time to fill in for someone - he hadn't changed a bit. That is how I will remember him - a kind man, with a servant's heart, who seemed like he loved being surrounded by the energy of teens and being part of what we did as teachers. Prayers to those who knew and loved him best. Wendy Meister-Louria

“ I am so very sorry to hear this news. Terry and I visited almost every day at Vernon Hills High School between 2001 and November of 2005 when I retired. We were always comparing notes and solving the world's problems. Since we are the exact same age we also shared many similar memories of our childhoods. I will certainly keep his family in my prayers. Kathie Stelzner, former Fine Arts Secretary.
