“ *To my cousin Diane and the family Ursula joins me and my family here in Florida offering our deep sorrow at your dads passing. A great uncle, a great musician from whom I learned so much. I will always remember the great family parties where there was never a shortage of Polish music, dancing and great fun .May he rest in eternal peace and I am confident he has joined his parents, brothers and sisters and cousins up in heaven where I know the music will always continue.*

Dear Fran, Diane, and family, Uncle Tom was a unique and special person who will be truly missed. There will always be a special place in my heart and prayers for you. I will miss your smiling face and laughter. I enjoyed seeing you every Saturday and you could make that horn bring happiness to everyone around you. You always gave your hug cards to all the women, no matter who they were and brought a smile to their face. Everyone was special to you. Hoping to one day see you and all the family that you are now with, because there is a polka party going on in heaven with all who you love. GOD REST YOUR SOUL Love Always, Paul Paul Kielbasa

Uncle Tom---may you already be in heaven with your own band playing the horn and accordion. You were truly a jolly person---always happy to be with people. Always had a special hug and hello to all around you. Diane, and Family, and Fran--you were truly blessed to have a gem like Uncle Tom. We will miss him---
Love---Cookie
