“ *As a first time mom, I came to the Little Gym and found a place of refuge. My son, Matthew, and I loved coming to see Miss Tracie and enjoyed the classes offered. Today Matthew is five and I called the Little Gym to sign him up for summer camp. I was so sorry to hear the news of Tracie's passing.*

When I was diagnosed with breast cancer in 2016, Tracie gave me a big hug, encouragement and tissues. She was an amazing woman, mother and friend.

I do not understand why such a beautiful person had to leave this world so soon. But I do believe there is a good God who loves Tracie and now has her in heaven with Him.

My deepest condolences to Drew, Brock, Dave and all those who knew and loved Tracie. May she rest in peace.

“ *Miss Tracie, we will miss your infectious and unforgettable smile and laughter, enthusiasm, and limitless adoration to train children to be confident. May God's presence yield strength and lighten the sorrow of your loved ones current darkest moment of your loss.*

Our eldest adored and loved taking Miss Tracy's class at Little Gym from 2004-2006. We came across Miss Tracie and family at the Gurnee days two years ago and Miss Tracie enveloped us with wonderful hugs and smiles, like we never left her class. We knew we had to come back to Little Gym with our youngest daughter, Jaeda, who is in Mr. Drew's class currently.

“ *An infectious smile and contagious laugh is how I remember Tracie from high school. She was adored by all and the knowledge of her passing breaks my heart. I read an article about a lady who passed away and was brought back to life. The peace she said she felt during that time was overwhelming. I hope in time your family finds comfort in knowing you are in God's care and always watching over them. -- Shelley*
