“ I want my Uncle Vernon’s family to know that I think of him often, especially when his birthday rolls around. We lost touch with each other, but he has never left my heart. I thought of him today because it is the 30th of the month. I have always wondered if he died or when he died. I decided to look him up and I found his obituary. My sympathy goes out to Jay and Ricky! You were so, so good to him! I’m so happy he lived 93 years, and you had all those years to enjoy him. He made the world a better place to be, and in fact, he made MY world a better place to be. He was my Godfather, and so very dear to me. I have missed his smile, but I remember it well. I wish we had lived closer and that our paths could have crossed more often. Sending my love to you all. I know I will see him in heaven one day.
